### RCBC Getting Back On the Water: CLAYTON BAY

17 - 20 March 2023

Event Coordinator: [Lindsay Dent](#)

This is our Club's first chance to get back on the water in 2023, after the biggest flood of the Murray River that most of us have ever seen. This four day event will be based at the Clayton Bay Riverside Holiday Park. It will include half- and full-day boat trips and is well-suited to tinnies, cruisers and trailer-sailers. The bay is also good for canoes and kayaks. We will explore areas that might include the Finnis River; Currency, Holmes, Deep and Boundary Creeks and Dunns Lagoon. We will see some of the many islands on the eastern side of Hindmarsh Island, including Goat, Rat, Lucerne, Mundoo, Mud, Reedy and Long Islands. Flows should be modest in these areas and river levels will be near normal, so boating will be safe and easy. A full Running Sheet (subject to variation due to weather conditions) will be supplied to Registrants closer to the starting date.

We are negotiating one or more social activities with the Clayton Bay Boat Club (CBBC), which has an excellent private boat ramp and jetty moorings. The CBBC is likely to be staging the Rat Race Regatta over this weekend and if so, the Sandbar will be open throughout the weekend. The Holiday Park has a camp kitchen and BBQ suitable for a group of our size. We will also have a dinner at a pub or restaurant in Milang or Goolwa on Saturday or Sunday nights.

Powered campsites are available for both caravans and tents and the Park has the usual facilities found in caravan and camping parks, including toilets and showers, so the RCBC amenities trailer will not be used.

The RCBC has reserved (*until 10 February only*) 10 waterfront campsites at the Clayton Bay Riverside Holiday Park. Registrants must contact the Holiday Park directly (ph. 8537 0372) to book a site and a one-night deposit is required (\$38/2 persons). Registrants who choose to camp on their boats can use the Holiday Park facilities for a fee of \$10/person/night. It may also be possible to moor a small number of cruisers at jetties in the CBBC marina for a fee of \$25/night and this includes use of Club shower and toilet facilities.

Boats can be launched and retrieved at the public ramp in Clayton Bay, the Clayton Bay Boat Club (on Friday and Monday, \$15 fee, payable as a group booking) and at various public ramps in Goolwa (e.g. Aquatic Club; North Goolwa public ramp).

**Registrants should notify the Park management that they are part of the RCBC group when booking** and the number of nights they are planning to stay. For those who wish to extend their stay, the sites are also available before and after our event.

**Site bookings must be made directly with the Park by 10 February** and after this date the sites we have reserved will again become available to the general public. Please get in early because the whole Park is sure to book out on this weekend. We may be able to share some sites, subject to negotiation.

Guests are welcome, but new participants are encouraged to become members of the RCBC and are subject to the usual fees.
