

RCBC LYRUP FLATS DINGHY DAWDLE – March 18-21 2022

IMPORTANT NOTES – PLEASE READ BEFORE REGISTERING

Event Contacts: Vic Breeding (0418 928 656) or Lissa Selga (0438 867 863)

State Election

The SA state election is Saturday 19 March. You may be eligible for early or postal voting. See the Electoral Commission website for information: [Early voting - Electoral Commission SA \(ecsa.sa.gov.au\)](http://ecsa.sa.gov.au)

Camp Location

Base camp will be within the Murray River National Park (Lyrup Flats). Access is via the Park entrance approx. 10kms south west of Renmark off the Sturt Highway.

- National Parks website: Murray River... - National Parks and Wildlife Service South Australia

Campsites

The RCBC has pre-booked campsites 14-18a (see map below FYI).

- Campsite Map: [murray_river_np_lyrup_flats_2page_optimised.pdf \(environment.sa.gov.au\)](http://murray_river_np_lyrup_flats_2page_optimised.pdf)
- Arrivals Friday after 12 noon only (due to National Park regulations)
- Not everyone will be located at one campsite as we need a number of sites to fit everyone in. However, site 14 will be the 'hub' for happy hour and the amenities trailer. It is relatively quick and easy to walk between campsites along the access road or riverfront.
- You will be allocated a campsite by a RCBC Committee member on arrival depending on the size of your vehicle & camping style (eg self contained, tent, camper). We need to do this to fit everyone in and locate tents and campers closest to the amenities trailer.

Vehicles

- If you will be bringing more than one vehicle, please make sure you indicate this on the registration form. Please include all vehicles including trailers and registration numbers.

Boat Launching

- A VERY makeshift boat 'ramp' is located near campsite 13 in the Park (see map above). It is unpaved with some ruts & tree roots. You will need to launch your boat prior to arriving at the RCBC campsites, then take your vessel by river to your campsite. Shuttling back and forth can be arranged on the day with the event organisers – more details will be provided to registrants. Should you need assistance launching your boat, please contact Vic Breeding.
